Welcome

Can you believe it! With November comes Thanksgiving. I have added some fun Thanksgiving activities as well as crafts for you to enjoy at home with your kiddos or in your classrooms!

Website Highlights

Parts Of A Pumpkin

Explore parts of a pumpkin and the correct names of each part.

Thankful Hands

Can share as a class what your thankful for then make the childs handprint and add what each child is thankful for on the plate.

Placemate Weaving

Allows each child to practice weaving and thier fine motor skills.

This Season's Activities

Turkey Life Cycle

Teach your class how turkeys are born, how they grown and fun facts about turkeys.

Disguise A Turkey

Creates a fun way for children to have fun disguising a turkey how ever they want. Allowing the class to guess what disguise thier turkey is.

Thanksgiving Dinner Plates

Create a dinner plate with diffrerent thanksgiving food items usuing paper plates.

A Turkey For Thanksgiving

A fun way for the children to make a funny sign for thier turkey and what thier turkey might be thinking.

Website Spotlight

Turkey Buttoning Activitiy

Allows children to practice self help buttoning skills

Website Note

Hope you all have a great Thanksgiving with your families and friends!
